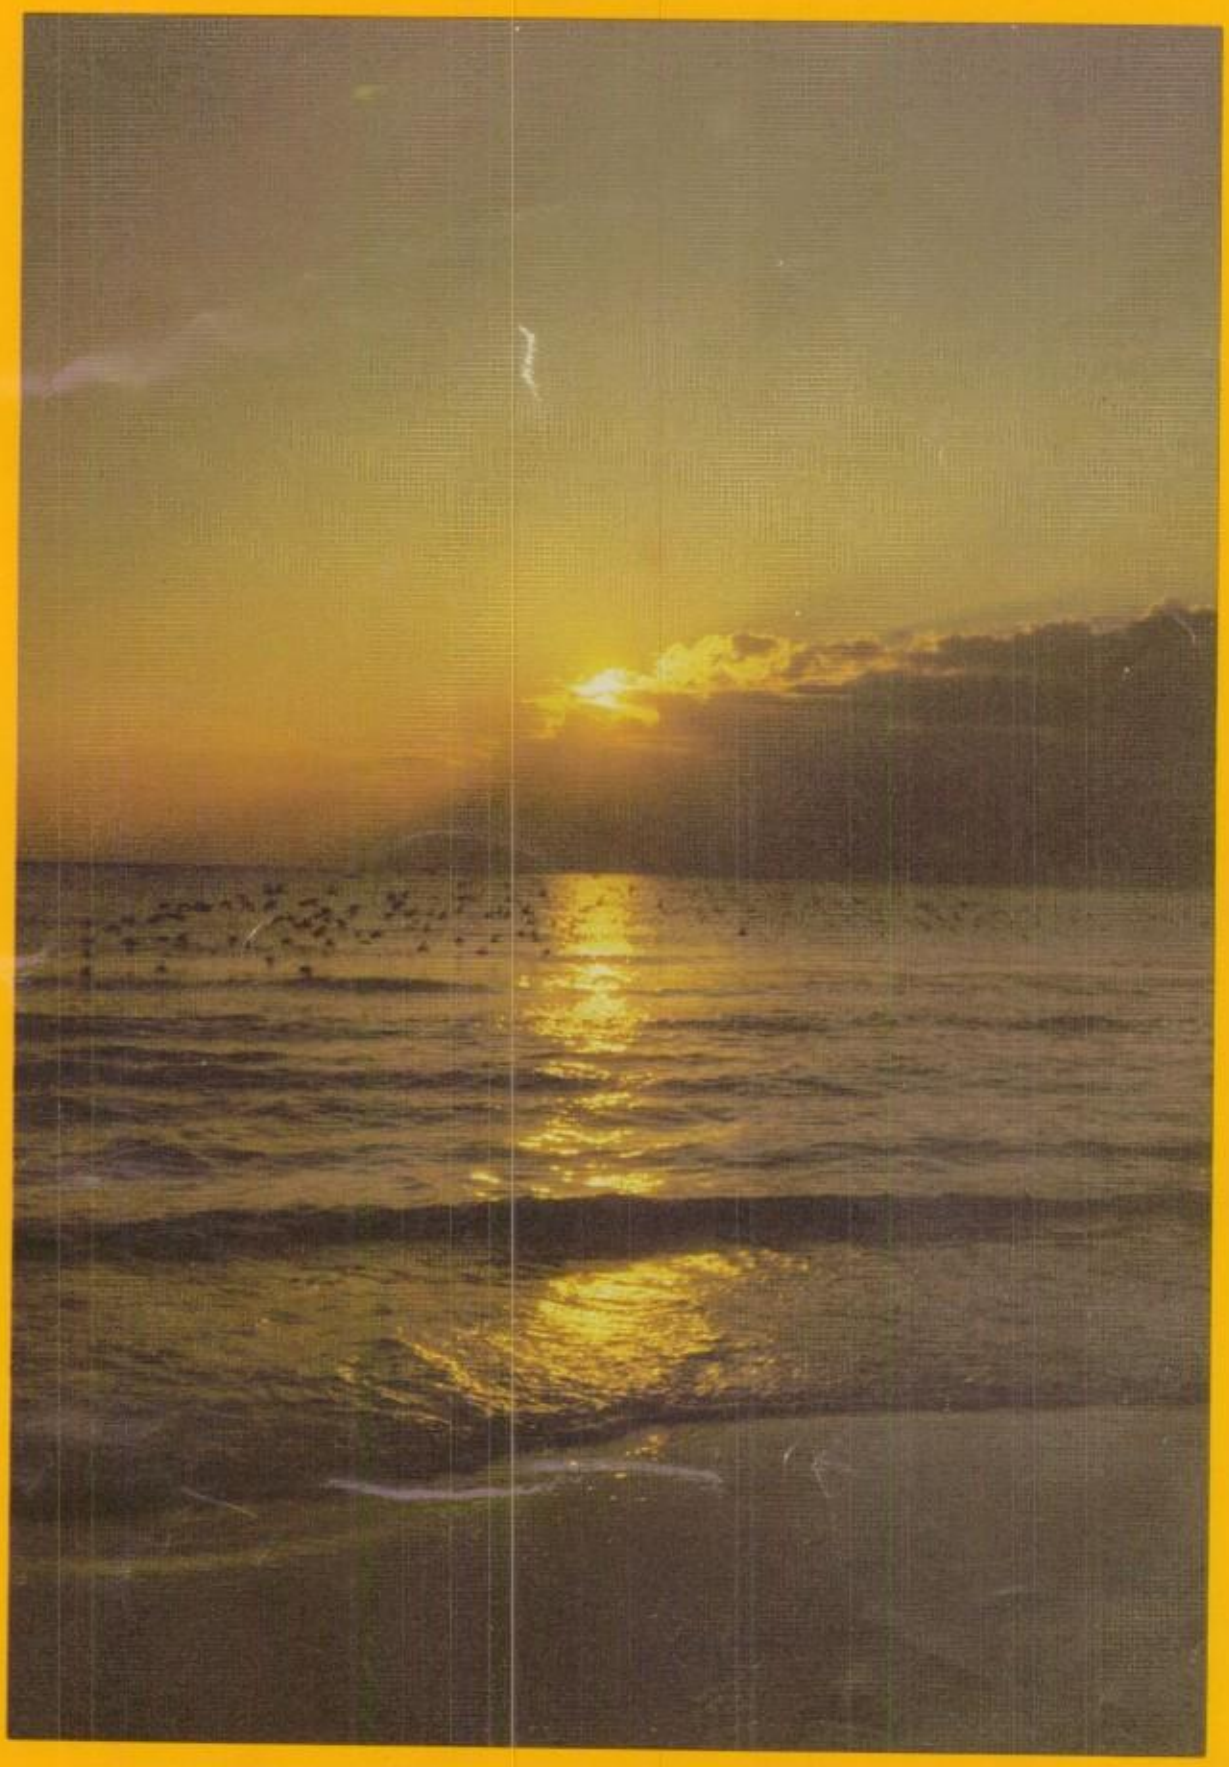
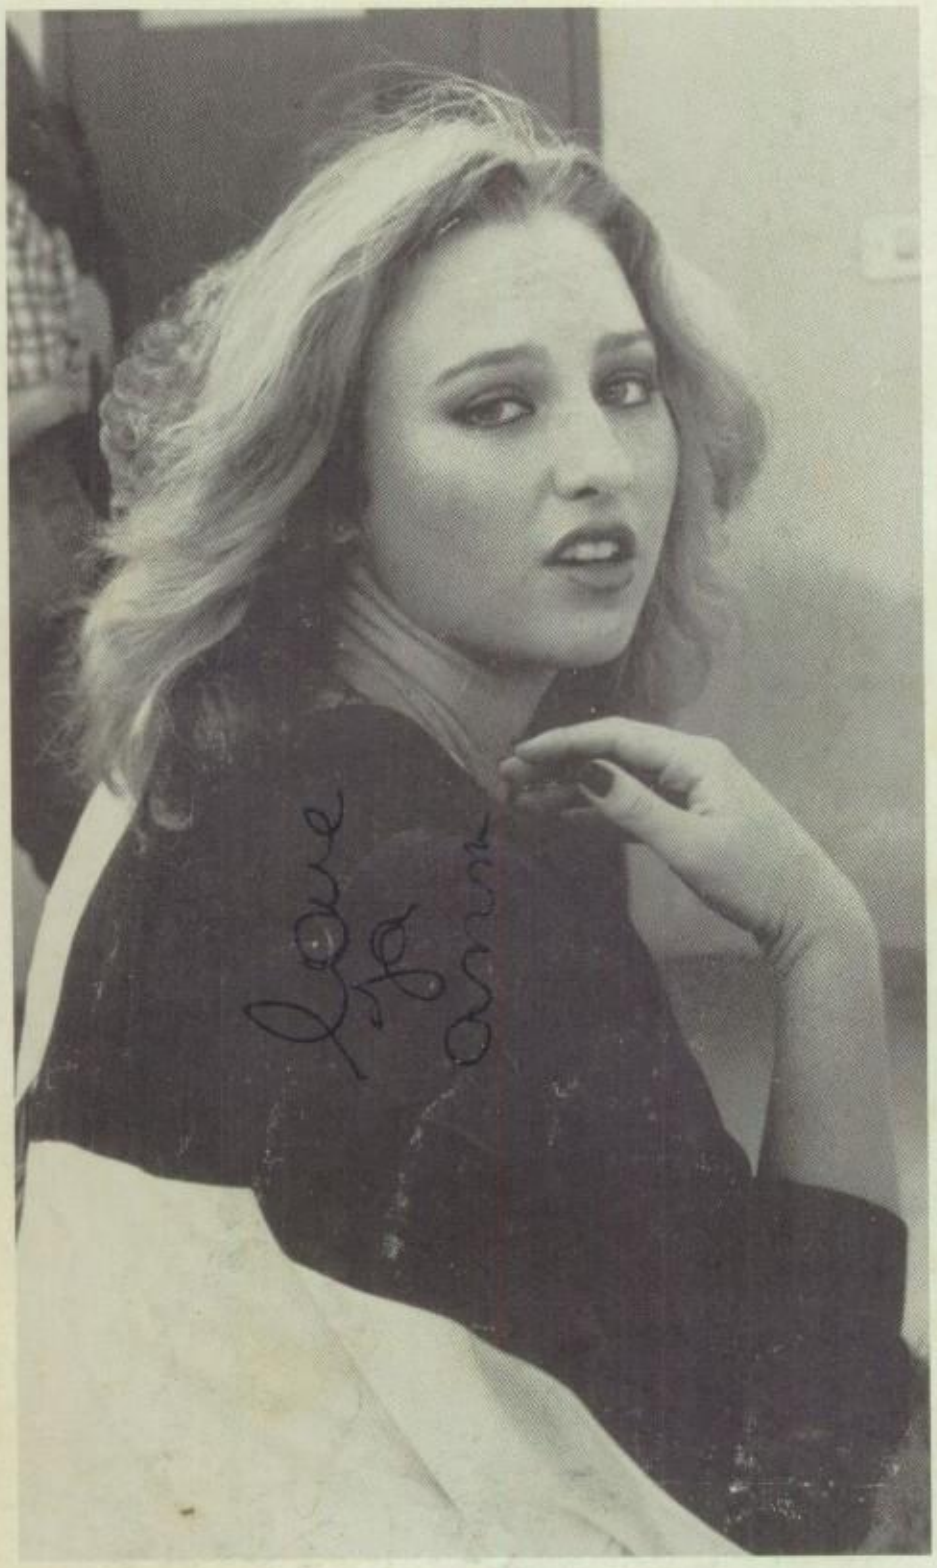
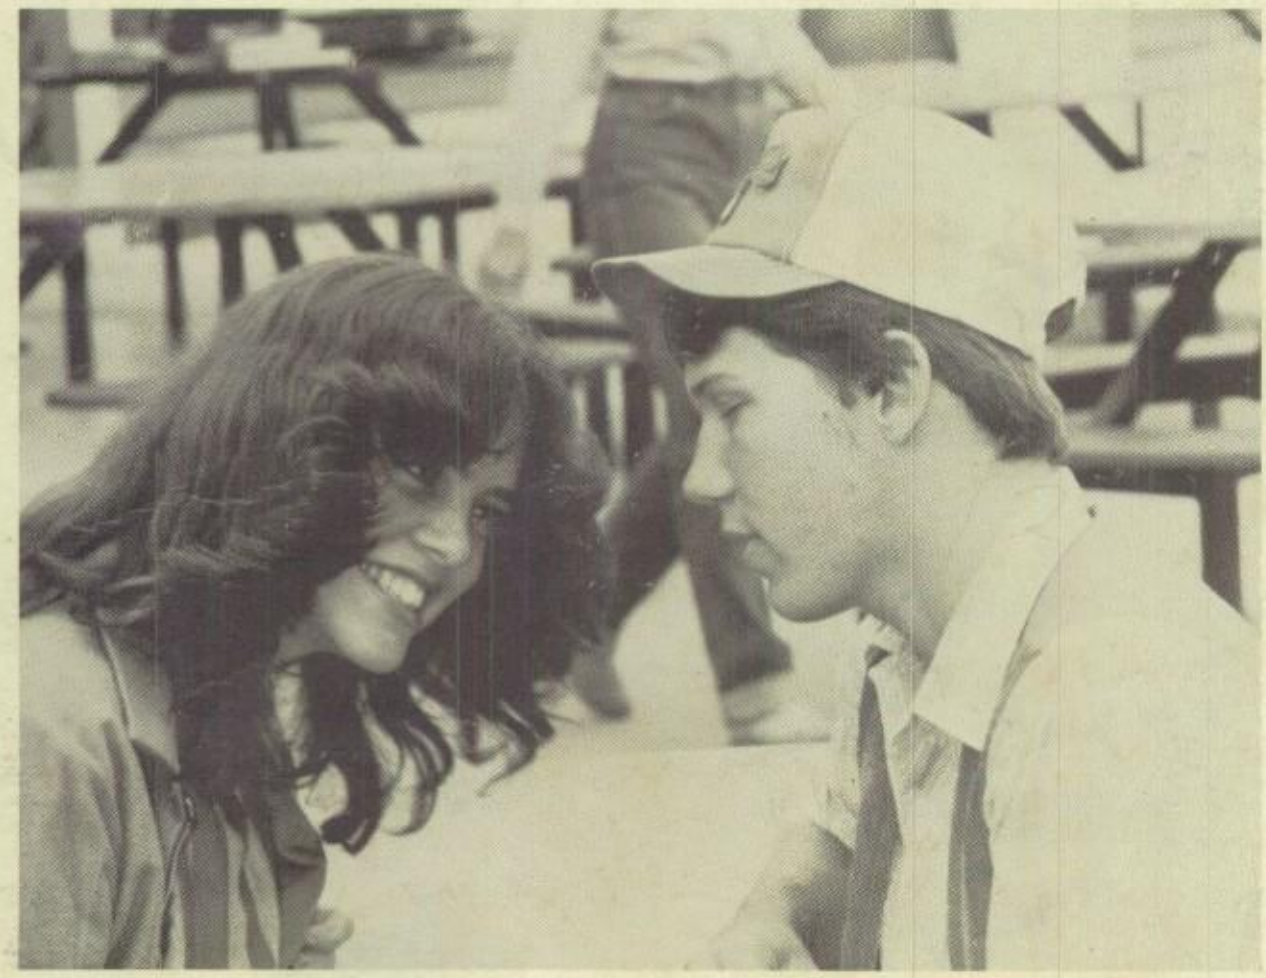
Days Past . . .
Memories Last



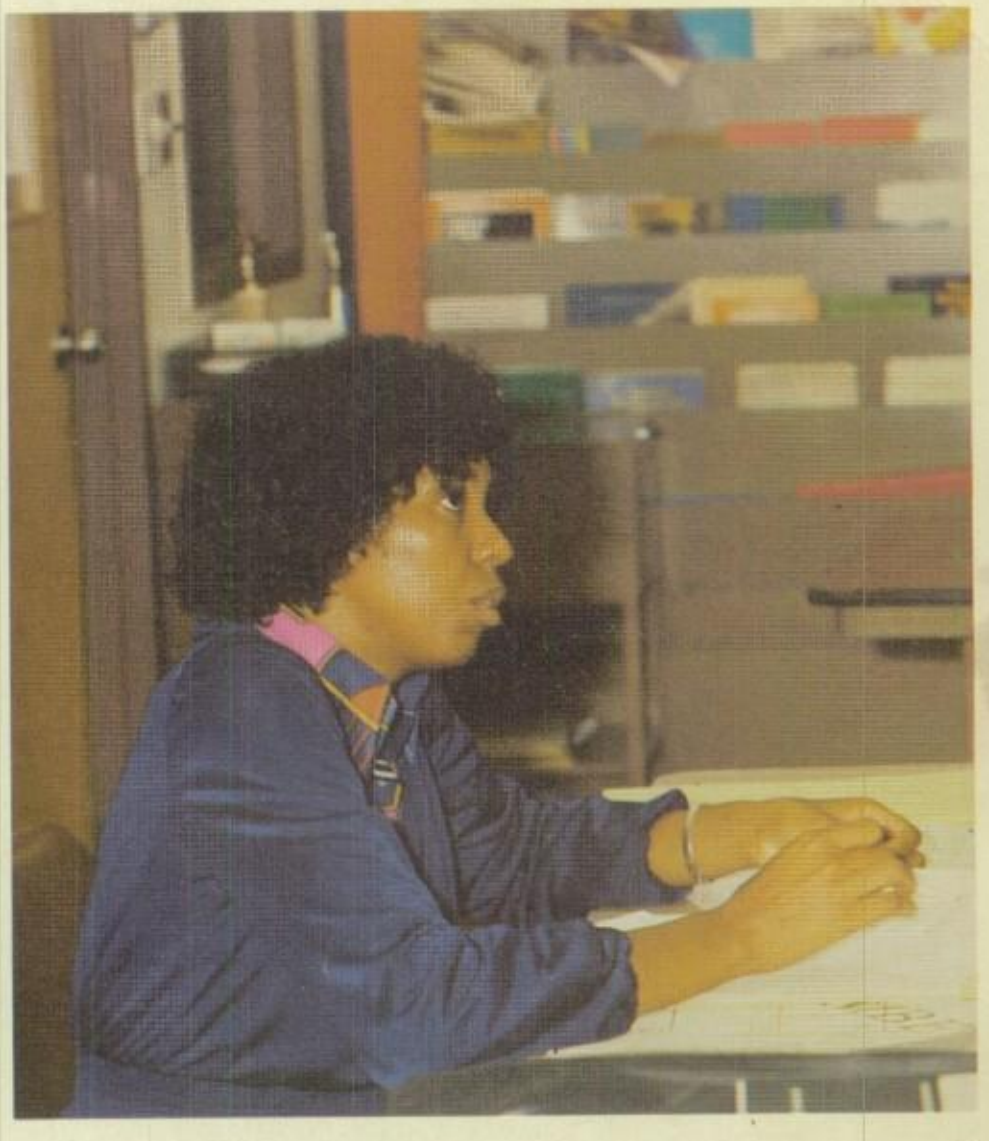
South Sumter High School
Bushnell, Florida

1982-1983

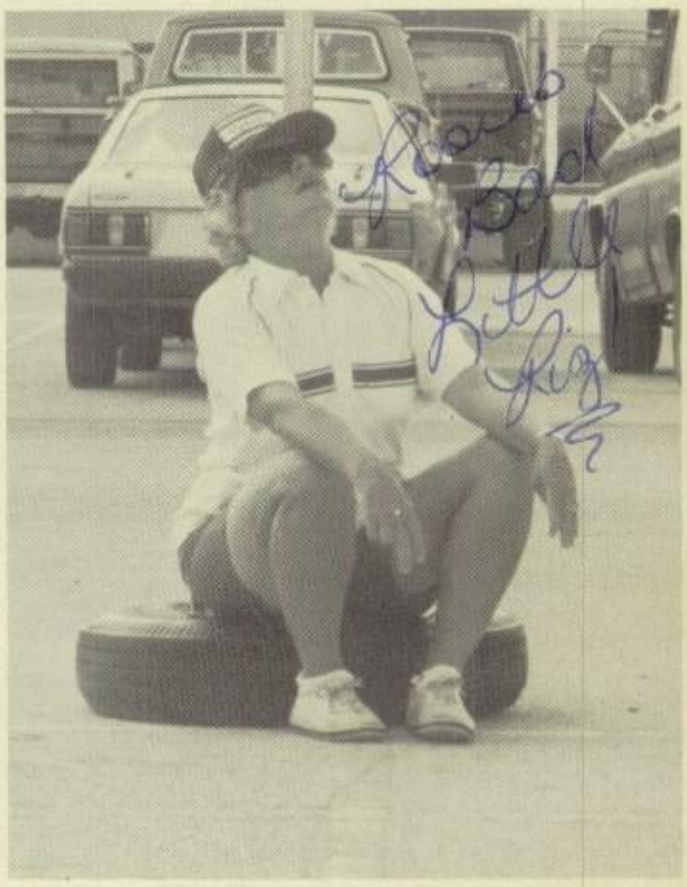


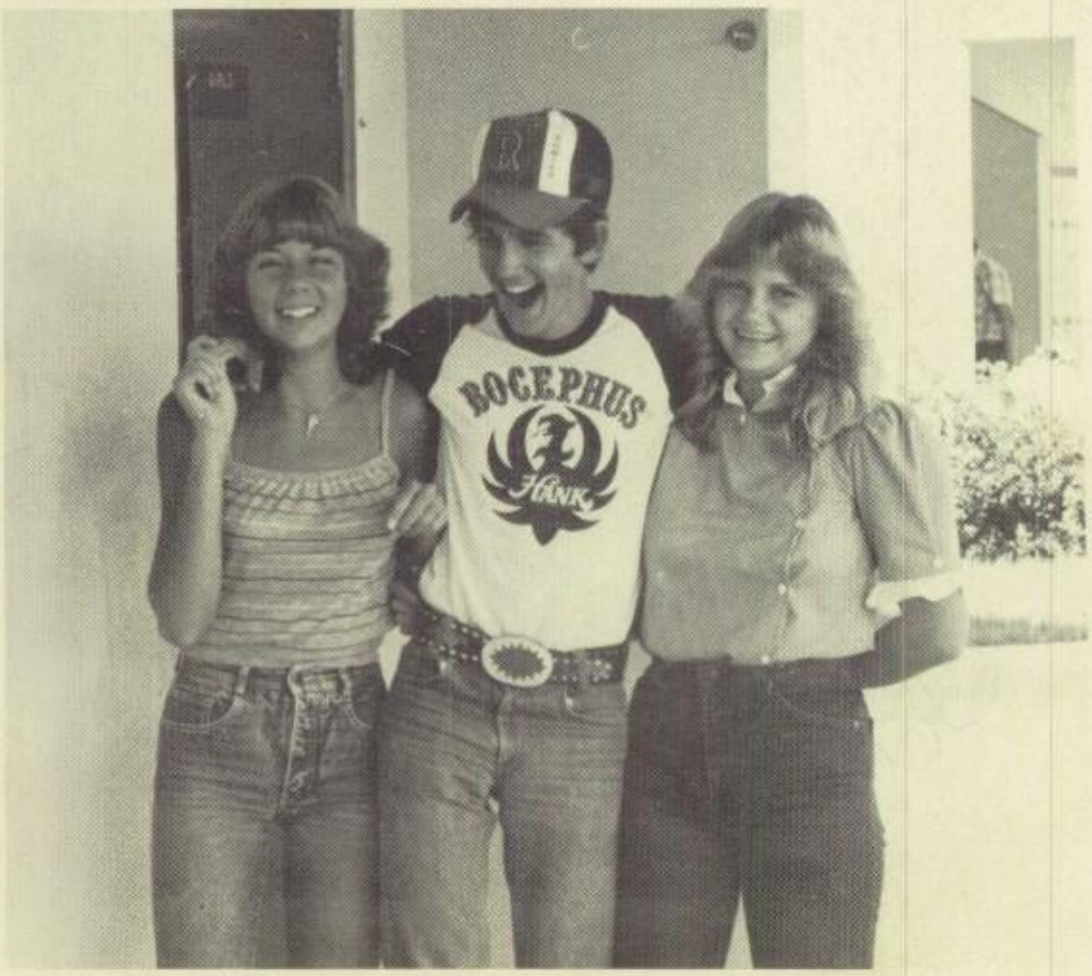


The feeling . . .
Of time rushing past
So quickly — too quickly!
Many friends will soon leave
To go out on their own.
Bringing closer thoughts of our
future,
Senior year rushes to meet us,
College just around the corner.



Love
Love
Teresa





We feel . . .
As if we're sprinting through the days
Out of breath, wanting to slow the
pace,
Slow the hours to minutes
To savor each more fully,
To postpone the future —
Scared of what will come,
The changes we may not like. .

We wish . . .
For everyone and everything
To remain the same,
To keep the closeness
And affection of our friends,
For time to stand still.

Life is like a sunflower. In the morning its head is up and its face follows the sun; in the evening its head is bent and the body fades away. So it is with the human flower. It came into this world to stay just a little while. God came down and plucked one of his flowers and carried it home. Some may forget you are gone, but we'll never forget — no matter how long.

Robert Edwards — Principal

On behalf of the students, teachers, and the administration at South Sumter High School, I am delighted to comment on the newest edition of the Raider. The 1982-83 Raider staff has, I believe, continued the high standard of excellence which was set by the last year's staff's production of the truly outstanding edition of the 1981-82 Raider. We have every reason to believe that the Raider you're now reading will again be one of quality.

Once again, we hope that your yearbook will be a record of both memories and achievements which you have attained while you attended school at South Sumter High School. Moreover, we would like to extend to the 1983 Senior Class our congratulations for the excellent job the members of this class have done in their years here. We are genuinely proud of this year's senior class.

In closing, I would like to thank the student body and the faculty for making these last two years of my career the most enjoyable and fulfilling period in my tenure as an educator.

Very truly yours,

Robert H. Edwards

Once again, another school year draws to a close. The 1982-83 school year was filled with many exciting and memorable events. "Days Past ... Memories Last" is an appropriate theme for our "Raider" yearbook. Many days, weeks, and months have gone by, but so many memories will always remain with us. I hope this yearbook will help you treasure these precious memories.

Many hours of hard work went into producing the 1983 "Raider." I'd like to thank my assistant editors, Brenda Higginbotham and John Humphreville, for their enthusiastic cooperation and dedication, as well as the entire yearbook staff for all their hard work. I'd also like to thank our yearbook representative, Mr. Marvin Mayer, and Bryn — Alan Studio for all they did to help throughout the year. Last — but — not — least, a special thanks to Mrs. Louise Ross, who gave her assistance, dedication, time, and support during the production of this yearbook.
